## Congratulations to the City of Springfield!

Springfield was recently rated #1 in a Forbes magazine article for the *"Seven Cities You Didn't Expect To Be Great For Business."* The full article is [here](#).

The City of Springfield Department of Workforce Development was also a huge focus for their creative solutions to attracting and retaining talented employees. The article is available [here](#) in the last print edition of Biz 417.

Congratulations Springfield!

The St. Louis Agency on Training and Employment (SLATE) just announced the launch of a new Apprenticeship for Information Technology (IT) Generalists in St. Louis. The program was created through a regional partnership between SLATE, NPower, a national non-profit providing free technology training and job placement assistance, and the U.S. Department of Labor (US DOL) Office of Apprenticeship.

A huge Shout-out to Rob Walt (pictured center with Daniel Oliver, Arnold LVER, left and Mike Campbell of the Park Hills Job Center, right) for becoming a Show-Me-Heroes Business. Rob owns Rob's Guns in Leadington, Missouri and has hired several veterans to work in his business over the last several years.

Thank you Rob for supporting Missouri's Veterans!
